

On acceptance of this application, I the undersigned take upon myself the responsibility for the named applicant whether for myself or for a 3rd person to participate and to be legally bound hereby, for the participant, his or her heirs, executors and administrators, to waive and release any and all rights and claims that they may have against the organisers, officials, sponsors, partners or suppliers for any loss, damage, injury or death that the participant may sustain as a consequence of his or her participation in this event. I declare that the participant will abide by the eligibility and competition rules and regulations.

I declare that the participant has trained sufficiently for the event and that his or her physical condition has been monitored by a medical doctor. I also declare that only the named applicant will participate and take full responsibility for any consequences or claims if another person participates instead of the named applicant. I hereby further declare that the submitted particulars are complete and correct in every detail and acknowledge that the application fee and the transport fee, if any, are both non refundable and cannot be transferred to another event even if the event is not held for whatever reason. Confirmation of your application will entitle the named participant to attend registration to collect the race pack. Registration details can be found on the [maltamarathon.com](http://maltamarathon.com) website. The race pack includes the timing chip which must not be worn or carried by any other person during the race.

There will be **no** traffic management, marshals or other services beyond times that do not schedule participants to finish so ensure that you are able to finish within the time limit. As a guideline, participants not reaching 15km by 08:15 or 21km by 09:00 or 32km by 10:15 or 35km by 10:45 or 38km by 11:00 will have to retire. Those who do not retire take full responsibility of their actions. The Malta Marathon organisers urge anyone not wanting to retire (although not advisable) to continue on pavements where this is possible.

When using transport (if any), the organisers, officials, sponsors, partners and suppliers are not responsible for the participant's safety and any missing baggage or contents thereof.

The named applicant grants full permission to the organiser, sponsors and or agents authorized by them to use any photographs, video tapes, motion pictures, recordings, or any other record of this event for any purpose.
